Bachelor of Technology (B.Tech) – Third Year

Kolhapur Institute of Technology, Kolhapur

2023 – Present

Current CGPA (5th Semester): 9.48

Higher Secondary Certificate (HSC)

2022 – 2023

Percentage: 72%

PROJECTS

1. Direct Market Access Website for Farmers

Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Developed a platform that connects farmers directly with buyers to eliminate middlemen.
- Enabled transparent pricing and better profit opportunities for farmers.
- Designed user-friendly interfaces for product listing, ordering, and communication.
- Improved accessibility of agricultural products through a digital marketplace.

2. SAHAYATRA – Scholarship Recommendation System

Technologies: HTML, CSS, JavaScript, PHP, MySQL, AI APIs

- Developed an intelligent recommendation platform that helps users discover eligible scholarships and welfare schemes.
- Solved the problem of scattered information and complex eligibility criteria across government and private schemes.
- Designed personalized recommendation features based on user profiles and eligibility conditions.
- Focused on improving accessibility, awareness, and social inclusion through digital technology.
- Integrated AI-based features to provide smart and efficient scheme recommendations.

3. ABC ID – Web Application for Student Data Management

Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Built a web application for managing and storing student academic records securely.
- Implemented features for student registration, data management, and profile tracking.
- Designed responsive dashboards for easy access to academic information.
- Improved data organization and accessibility for educational purposes.

EXPERIENCE

Web Developer Intern

WOLFOX SERVICES PVT. LTD

Jan 2025 – Feb 2025

- Worked on frontend and backend web development tasks.
- Assisted in developing responsive web pages and improving website functionality.
- Collaborated with team members on real-world development projects.
- Gained practical experience in software development and debugging.
